

LEGACY 95

A reinvention of our earliest barber chairs refined for the modern era. Robust, reliable and supremely comfortable, this 95th anniversary edition chair is retrospectively authentic for barbers with a penchant for genuine vintage.

A cast iron frame ensures solidity, as recline and full rotation ensures complete comfort. Luxuriously padded upholstery to the back, seat, armrests and removable headrest promotes total relaxation. Tailor to your specification with base options and other upgrades.
